GMA 7's top-billing primetime program, 'Asian Treasure' recently shot their television series at C3 Events Place last Friday, March 2, 2007. It was meant for the episode where Gabriela (played by Angel Locsin) and Elias (played by Robin Padilla) will attend the 'Night of Masks'. And probably another twist will come to pass for the battle of the most treasured anting-anting.

Other stars spotted that night were Marvin Agustin (as Hector), Diana Zubiri (as Ingrid) , Director Eric Quizon, Mon Confiado (as Y), and Gio Alvarez (as Cedric). We have nothing more to say since we don't want to be a spoiler to your favorite action-adventure teledrama. Just don't fail to watch Asian Treasure every weekdays right after '24 Oras'.
